INSTRUCTIONS:

1. Obtain necessary permits/applications from the Oconto County Hwy Dept or Wis DOT, where applicable.
2. Submit this application with a detailed sketch showing existing driveways, existing physical addresses and the distances between them, road intersections and other pertinent information.
3. Clearly mark the driveway with lath/flagging.
4. **Notify the Physical Address Coordinator**, at the number listed below, as to what materials were used to mark the driveway. Upon notification, a number will be assigned within (10) ten working days, provided all other information is correct.
5. If the driveway is not clearly marked upon the county's onsite, the number will not be issued. Applications will then be delayed until owner provides proper documentation for issuance of a number.
